

Tool list: Microflaming

Each participant is asked to bring the following materials and equipment:

1. Protective eye-goggles
2. Tweezers
3. A soldering block
4. Pliers
5. Some gold, silver or optionally platinum
6. Some solder for the above materials
7. A very fine paintbrush with natural hair
8. A set of basic hand tools

The workshop is equipped with one torch for each participant.
